Sub: Formation of Depression over South East Bay and advisory thereof - Reg.

The Deputy Inspector General, Commander, Coast Guard has informed that as per prediction, a Depression has formed over South East Bay today, the 02 December 21. It is likely to move West North Westwards and concentrate into a cyclone over Central Bay and adjoining East Central Bay of Bengal. It is likely to become more marked and move West North Westwards towards South Andhra Pradesh coast. The same is expected to make landfall on 04 Dec 21. Andhra Pradesh and Odisha coast may experience heavy to very heavy rainfall from 03 December 21 onwards.

In this regard, Coast Guard has requested that all vessels anchored in port limits be advised to institute measures to avoid anchor dragging / any incident leading to environmental damage. In light of the said advisory from the Coast Guard Authorities, all vessel agents and connected stakeholders are requested to take advance precautionary measures in this regard.

Furthermore, the Equipment Operators, HMC Operators, SUL / SL Operators, etc., are also requested to take advance precautionary measures to safeguard the equipments, manpower and other facilities from any probable damage / destruction on account of the probable ensuing cyclonic weather situation.
