### TRADE NOTICE

This is to inform you that we have scheduled the first phase of the pipeline trestle strengthening project at the liquid cargo jetty from August 5, 2024, to August 9, 2024. This phase will involve significant activities such as cutting, welding, and grinding at the jetty.

As a result of these essential operations, vessels carrying Edible oil/Base oil / Chemical (other than A class) will be handled at LB-01 and LB-02 during the above mentioned period .

We kindly request everyone to take note of this schedule and make necessary arrangements of vessel planning accordingly.

Kindly bear with us for any inconvenience cause.

Looking forward for your kind co-operation.
