TRADE NOTICE

Attention of all stake holders are invited that BPCL Liquid Cargo Terminal (LB01 & LB02) will be shut down from January 6, 2025 to January 10, 2025 for carrying out second phase of strengthening of pipeline trestle and other works.

All are requested to take note of this shutdown schedule and make the necessary rescheduling of the vessels accordingly, if required. Any request of placement of vessels during the shutdown period will not be entertained.

All tank farm operators are encouraged to use this opportunity to complete any pending work related to pipelines.

We express regret for any inconvenience this may cause and appreciate your understanding and cooperation.
