

Notice to Trade JSW Jaigarh Port Limited

Good day!!!

This is in regards to the vessel call at JSW Jaigarh Port during monsoon Season (15th May 2021 to 15th Sept. 2021)

We request you to follow certain procedures for hassle free operations:

01. Usually mooring Pattern is 4+2 (Forward and Aft) here for Vessel size upto Panamax and 4+3 (Forward and Aft) for Capsize Vessels, in Monsoon season keep 2 ropes forward and 2 ropes aft on deck in additional to the normal mooring pattern.
02. Please plan additional manpower for regular watch on stations forward and aft to keep tending the ropes. Plan your deck watches and rest hours accordingly.
03. Keep all ropes equally tight to spread the weight evenly.
04. Leave certain margin for the ropes to stretch to avoid breaking.
05. Avoid doing any maintenance of equipment while alongside to keep the vessel in readiness all the time.
06. Please note that immobilization of Main engine will not to be allowed during stay at port.
07. Keep strict watches on VHF Ch -11 for Marine Control tower Jaigarh Port.

Request Vessel agents to forward this notice to all vessels calling JSW JPL in monsoon season.

(15th May 2021 to 15th Sept.2021)

Regards,

Capt. Ankit Garg | AGM (Head) - Marine | JSW Jaigarh Port Ltd.
