

## **TRADE CIRCULAR – 08/2023**

Trade Circular No.: JSWJPL / 30-10-2023

To,

Dear All Agents.

Basis of understanding that Govt. Of India has lifted the requirement of having Covid-19 vaccination compulsory for outside travelers via Seaport. We are here to provide the relaxation on the same with immediate effect.

However, we still insist for all crew members to fully vaccinate as per the approved primary schedule of vaccination against the Covid-19 in their country.

The requirement of sharing the vaccination record of all the crew members & symptoms of Covid-19 is still to be complied with.

This will supersede the requirement of providing sanitization at JSW Jaigarh Port, however same can be implemented case to case basis depends on the Vaccination record & Covid-19 symptoms on board.

Have a safe stay at JSW Jaigarh Port!!

Regards

Head Marine Services

Capt. Ankit Garg
